DETAILED ACTION

1. Applicant cancelled Claims 3, 9 and 13 from "Amendment B" received March 12, 2003. Claims 1, 2, 4-8, 10-12 and 14-17 are pending.
2. The rejection of the various claims from paragraphs 6, 8, 9 and 11 from Paper No. 5 mailed December 6, 2002 are hereby withdrawn.

Claim Rejections - 35 USC § 103

3. Claims 1, 2, 4-8, 10-12 and 14-17 are rejected under 35 U.S.C. 103(a) as being unpatentable over Vaghi, US Patent No. 6,047,273.

Vaghi discloses an electronic commerce system/method comprising a unique identifier linked to a profile of personal information of a computer user (e.g. col. 3, line 66 thru col. 4, line 6), providing a first party MSSSPC (see, e.g., col. 3, lines 47-48), with a security routing identifier being assigned to a second party (e.g. one of the various shippers selected, cols. 5-7), to transport a purchased product via transaction purchase, e.g. by cybercash or credit card information, (col. 8, lines 15-27). To have completed the transaction without the second party receiving at least a portion of the personal information of the first party would have been obvious to one of ordinary skill in the art. It is common knowledge that when selecting a carrier to ship

goods/services a unique identifier is issued to associate the product with the entity ordering the goods/services. The shipping entity is not always given all of the personal information, e.g. a drivers license number or social security number, but only a portion of the personal information, e.g. name/address/zip code, or only a transaction identifier, when executing its delivery function. Doing such for Vaghi would have been obvious to one of ordinary skill in the art.

4. Further pertinent references of interest are listed on the attached PTO-892.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
